Messiah Summer Day Camp- Camp Programming

History: Messiah is about to embark on its ninth year of Summer Camp and has been serving nearly 200 families with Christ-centered summer programming. Camp is run as a ministry of Messiah Lutheran Church. Seasonal staff are hired and trained each year to serve campers.

Messiah is different because we believe kids should learn and explore outside in God's creation over the summer. Counselors are trained to play and interact with campers at a developmentally appropriate level to help create memorable experiences. Also, the camp day is completely planned out to avoid boredom or downtime. You will not find devices or television as part of our programming. Our goal is to create a safe, fun environment for campers to grow closer to Jesus.

9 Things to Know About Summer Camp for Early Childhood
