CONNECT TO EACH OTHER

How long have you considered Messiah your church home?

Share the story of how you came to Messiah.

CONNECT TO GOD

Have you ever felt that God was leading you somewhere, but the path to get there was rocky? Talk about that time with your group and reflect on the affect it had on your relationship with God.

In Hebrews 11:1, the author describes faith as a state of “...being sure of what we hope for and certain of what we do not see.” As you look back on your journey through life, consider how often you walked in faith confidently and consider circumstances in which your faith was shaky. Share examples from both faith walks and discuss the outcomes.

APPLY THE TEACHING

Think about your faith journey in terms of “chapters.” Chapter One is your introduction to Jesus; Chapter Two is how your discipleship is expressed (e.g., worship, serving, giving, etc.); and Chapter Three is how you share the good news of Jesus with others.

Discuss how your life looked in each chapter. If there is a chapter you haven’t made it to yet, that’s OK!
