Week 2

What is your favorite Christmas movie?

What classic Christmas movie have you never watched?

## DISCUSS THE MESSAGE

*Read Isaiah 61 and discuss some or all of the following questions.*

Sometimes less is more. What could you use less of at this time of year?

The teacher noted that Jesus can get “lost in the más.” What are some examples of this?

For some people, Christmas might be the worst day of the year. Have you ever been in a season of life when the celebrations around you increased your pain? How can we as Christians be more sensitive to others going through a hard time when we feel joyous?

Being considered God’s “chosen people” has the potential to elevate us in status in relation to others. How are we to correctly view this distinction? What are the responsibilities that come with this title?

Christmas marks the time in which Jesus came into a broken world’s mess. We all feel sins effects. Share with your group the brokenness that you personally are trying to fill at this time of year. Reflect on how you seek relief outside of Jesus and also consider what you do to fill yourself with the healing He offers.
