Get to Know Each Other.

Are you familiar with the season of Lent? If you have been a Jesus-follower since childhood, did your faith tradition observe it?

What do you find personally meaningful about this time of year?

LEARN from Jesus

Discuss the lessons of the message.

Sin is a big focus during the season of Lent. How comfortable are you discussing your sins and the role they play in sending Jesus to the cross?

The men we are studying all have one thing in common—they didn't want to surrender their own agenda to follow God's Will. Identify times that you have had the same struggle.

Pastor Jim states in the message, "if you read each of the bad boys' stories, you will see how silly it is to try to resist the will of God because God's will will be done in the end." How have you seen this play out in your own life?

Pastor Jim makes the point that Jesus gave up His life for us willingly. In John 10 He states, "The reason my Father loves me is that I lay down my life." It was not taken from Him; it will given with His knowledge and consent. Why is this such an important distinction to make?
